

To: All observers in the Department/Division of Urology

Subject: Patient/Parent Confidentiality

The Hospital for Sick Children is a teaching and training institution and many volunteers and observers come through the Division of Urology annually.

During your time here you may have the opportunity to observe treatment, hear doctor/parent discussions or you may have access to patient charts. You must understand that you have the responsibility to observe all legal aspects of patient/parent confidentiality. This includes all you see, hear or do.

Hopefully, you will find your time with us educational and useful. When you leave this Department/Division you must continue to respect the privacy of our parents and patients.

Dr. Armando Lorenzo
Chief/Head of Urology

I understand my responsibilities to maintain the privacy of the parents and patients of this institution.
